Can Vas is Born...

Hello! My name is Can Vas and I will be creation of artist, Helen Dixon.

I hope I am something unique and unlike anything she has done before.

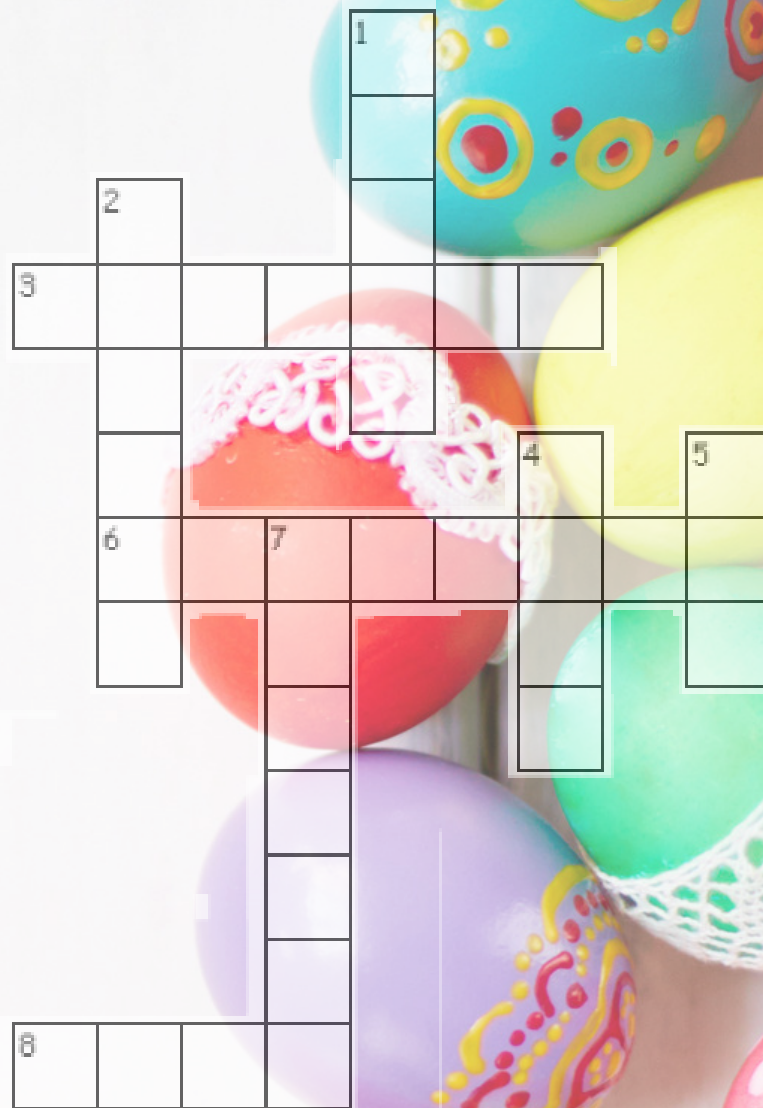

As I sit on the easel, next to one of her completed paintings, I cannot help but wonder what I am going to become.

I have always thought of myself as someone who is different from all the rest...

I notice she has paintings of landscapes, elephants, flowers, and so much more.

I guess I will just have to wait and see what I turn out to be!
