HOW TO INCORPORATE THIS
AWESOME COLOR IN YOUR
HOME.

A NEW HUE:

Chartreuse

FEATURED: VELVET CHARTREUSE DESIGNERS
GUILD 18X24 PILLOW
\$179.00

A COLOR PRECISELY HALFWAY
BETWEEN GREEN AND YELLOW.
CHARTREUSE WAS NAMED BECAUSE OF
ITS RESEMBLANCE TO THE GREEN
COLOR OF A FRENCH LIQUEUR CALLED
GREEN CHARTREUSE, WHICH WAS
INTRODUCED IN 1764.

TODAY, CHARTREUSE IS A HUE THAT
REPRESENTS CREATIVITY, CAPABILITY,
AND LOVE.

ONE OF THE THINGS WE LOVE IS THAT
PANTONE HAS CONSISTENTLY CHOSEN
GREEN SHADES TO
REPRESENT EXPRESSION OF MOOD AND
ATTITUDE.

SO COOL.

accent pillows

At Paysage, we offer a selection of items at various prices that will help you reinforce the beauty of your home.

If you are sick and tired of your room's decor, never fear because we have an easy fix for you! To get a completely fresh look, all you need to do is change out your throw pillows and a few accessories.

When layering throw pillows, consider having a mix of sizes, prints, and textures. Our velvet chartreuse 12x24 pillow is fabulous!

FEATURED: CHARTREUSE DESIGNERS GUILD
18X24 PILLOW
\$179.00

TIPS:

- Vary your pillows by size, texture, print, and style for the most eye pleasing arrangement. Your pillows do not have to match but should blend and work together.
- If you're not sure where to begin in choosing your throw pillows, use a piece of artwork in the room to glean color inspiration. Pick a few colors from your art and then find various prints and patterns that reflect the same palette.
- Down filled pillows are squishier and will look fuller than polyfilled pillows but down/feather filled pillows will be pricier.

GuinnessPie

DID YOU KNOW?

IT WAS INITIALLY A MISTAKE - A BATCH OF BEER WAS ACCIDENTALLY BURNED. INSTEAD OF THROWING IT AWAY ARTHUR GUINNESS SENT HIS STAFF TO THE DOCKS TO SELL THE BLACKENED STOUT AT A DISCOUNTED PRICE. LITTLE DID HE REALIZE THAT HE HAD STUMBLER ON A RECIPE THAT WOULD EVENTUALLY SELL 10 MILLION GLASSES A DAY WORLDWIDE.

INGREDIENTS

- 1 lb. beef stew meat
- 3 onions, sliced
- 1 rosemary sprig
- 3 cloves garlic, minced
- 1 tbsp. butter
- 2 celery stalks, finely sliced
- 2 carrots, peeled & diced
- 8 oz. mushroom, sliced
- 1 cup peas, steamed
- 1 can **Guinness**
- 1 tbsp. flour
- 1 1/2 - 2 c. beef stock
- 2 c. white cheddar cheese, shredded
- 1 egg, beaten
- 1 pkg. puff pastry

INSTRUCTIONS

1. Sauté onions with a little olive oil, salt and pepper until slightly browned in a deep Dutch oven. Stir in a sprig of rosemary. Add in the 3 cloves of minced garlic. Add 1 tbsp butter. Add celery, carrots, peas and mushrooms.
2. Add beef, a pinch of pepper and salt. Add 1 can Guinness. Stir in 1 heaping tbsp flour to 1/4 cup beef stock. Add to mixture.
3. Pour in beef stock to top off stew; liquid should not cover beef.
4. Cook at 350 degrees for 2 hours.
5. Remove from oven and stir in 1 handful of shredded white cheddar cheese.
6. Unfold puff pastry (thawed according to package directions) from the package. Line the bottom of an oven safe bowl or pie pan that is about 4 inches deep and 8-10 inches in diameter with puff pastry.
7. Pour in the stew filling. Sprinkle the other handful of shredded cheddar cheese on top of stew filling.
8. Brush the outer edge of the puff pastry with the beaten egg (this will act like glue when you put the top on).
9. Cover with another piece of puff pastry that has been lightly scored with a knife, don't cut all the way through the pastry. Press around the edges so the top puff pastry is sealed to the bottom puff pastry. Fold excess puff pastry that is draping over the bowl/pan so it has a crinkled edge.
10. Brush the top with beaten egg. Bake pie in the oven at 350 degrees for 40 minutes or until bubbly and golden. To serve, spoon peas over top of each pie serving.

#SHOPLOCAL

Since its inception, the mission of Lee Industries has been to create innovatively styled, high-quality home furnishings while adhering to a set of values that focus on their customers, the community and the environment. In 1969, Lee started with 7500 square foot factory and hired 10 associates. From that humble beginning, Lee has expanded to four manufacturing plants and has grown to be a leader and innovator in environmentally friendly manufacturing practices. Our love of furniture is contagious.
