# THE MERCI JAR

This November, we invite you to slow down and gather your gratitude. Cut out these nine slips, fill them in over the weeks before Thanksgiving, and drop each one into a jar or bowl on your table. Then, at the meal, read them aloud. Bring your filled jar or a photo of your table to any Paysage location by November 27. We'll have a small gift waiting for you.

***Bonne Chance & Joyeux Novembre!***

This year I'm grateful for

because

The person who surprised me most this year:

A small thing I almost forgot to notice but I'm glad I did:

One holiday tradition I look forward to:

I'm proud of

(No explanation required.)

Something I let go of this year and I'm better for it:

The person I haven't thanked enough:

One word for how this year felt. Just one:

By the end of the night, our home felt

and so did I.
